

# Sentinel Drive Supported Devices

Document version 1.1, updated June 2017

---

The devices and operating systems listed below have been tested for compatibility with Sentinel Drive.

If you would like us to test a device not listed here, please contact Sales at <http://www.bsmwireless.com>.

**Note:** Due to variations in make, model, and operating system, we highly recommend contacting the BSM Sales team before purchasing large volumes of devices.

---
